  - ◆ Content of the sessions
    - min. score: 3.85
    - max. score: 5.00
    - avg. score: 4.61

- ◆ “Most of the speakers were great. Talking about technologies with passion and sense of humour. 😊”
- ◆ “The overall meeting content was perfect. I think that you know the successful formula 😊”
- ◆ “I think that the content was quite good distributed throughout different areas like BI, Development, Administration and Technical stuff. So keep it that way.”
- ◆ “Every time it is getting better and better. Congratulations!”
- ◆ “I’m back home from the BGOUG event now, having had a great time in Bulgaria. It was really cool to hook up with everyone again... <http://www.oracle-base.com/blog/2010/04/27/bulgarian-oracle-user-group-bgoug/>
