

BGOUG 2012 Autumn Conference

November 16th – 18th 2012

The BGOUG Autumn 2012 Conference will take place November, 16th – 18th in [RIU Pravets Resort](#), Pravets

The BGOUG conferences are the right place to meet Oracle, Java, MySQL and Solaris people, to learn from the top specialists, to share ideas, and to socialize. At these conferences, we bring together technical specialists, functional specialists, IT management and functional consultants to exchange ideas and experience.

The conference presentations will be held in three parallel sessions. The official language of the conference will be English. If the entire audience of a given presentation is Bulgarian then the speakers may present it in Bulgarian.

Special thanks to our sponsors and partners:
